MEET YOUR 1984-85 OFFICERS . . . . .

President \* GORDON MITTON \* A graduate of the University of Michigan and a registered architect, Gordon first became interested in unicycling when he attended the 1975 N.U.M. in Marion, OH. Since that time he has served as both President and Vice-President of U.S.A., Inc.; was on the U.S.A., Inc. Constitution Committee in '81-'82; learned to ride a unicycle himself; encouraged three of his and his wife, Iola's, children to ride; has been an active member of the REDFORD TOWNSHIP UNICYCLE CLUB, INC.

Vice-President \* JAN LAYNE \* Jan also has been involved in unicycling for 11 years. During that time she directed SMILING FACES 4-H UNICYCLE CLUB, is currently Director of the WOOD ONE WHEELER 4-H UNICYCLE CLUB, and this fall will serve as an advisor for another 4-H unicycle club to start in West Unity, OH; she and her family have all become unicycle riders; she has served as President of U.S.A., Inc. for several years.

Secretary \* CAROL BRICHFORD \* Another 11-year veteran, Carol's interest followed her son's, David and Mark, when they took their first unicycle class at a local YMCA 15 years ago. In 1975 the family was encouraged by Bernard Crandall, Director of the PONTIAC UNICYCLE CLUB, to begin a club in Redford. Carol then became an active supporter of the REDFORD TOWNSHIP UNICYCLE CLUB, INC. and served the Society as Editor of the NEWSLETTER for 3 years.

Treasurer \* BARBARA MARQUART \* Barbara was drawn into unicycling through her daughter, Julie, who has ridden with and now serves as Advisor for the SMILING FACES 4-H UNICYCLE CLUB of Findlay, OH. In addition to promoting unicycling, Barbara has been a school secretary for 15 years; helps her husband, Wayne, farm their 300 acres; and is active both in church work and as a 4-H Advisor.

Editors \* KAY GUDEHUS and TERESA HEMMINGER \* Both bring a professionalism to their position - Kay with her Degree and experience in Journalism and Teresa with her talent for art and graphics. In addition Teresa has been a member of the REDFORD TOWNSHIP UNICYCLE CLUB, INC. for many years and is well known for her superb riding ability.

THE U.S.A., Inc. DIRECTORS ARE . . . . .

FLOYD CRANDALL - son of PONTIAC UNICYCLE CLUB'S founder, Bernard Crandall, and "record setter" for both speed and artistic riding

JEAN-PAUL JENACK - son of the Society's founder, Bill Jenack, and teacher of circus arts in New York schools

SETH GRANBERRY, Jr. - founder and director of the MOBILE UNICYCLE CLUB in Mobile, Alabama

ABOUT SOME OF THE U.S.A., Inc. MEMBERS.....

The following potpourri by members about members is being included in this issue so that it will be more than an encyclopedic accounting of the members and their addresses. Unicyclists are fascinating people! It is hoped that some of the members will be more than merely names after reading these articles and tidbits. All of this is being done without the delightful appearance to which members have become accustomed because of illness and vacation schedule of the Editors. This issue has been prepared by your Treasurer and Secretary.

Fifteen-year-old PAM DAUGHERTY writes that she is an active member of the Mobile Unicycle Club and a real unicyclist booster. Through her enthusiasm she has brought her Dad and three cousins into the unicycle "fold." She hopes to be at the 1985 N.U.M. and took the time to..... d

a line to tell a little about herself.

California's STEVE GORDON is still riding with Wheel People, a unicycle hockey group that will be celebrating its 10th anniversary in 1986. The group meets every Saturday morning to perfect its sport. Steve's dedication to these games is unparalleled for he writes, "I've been keeping busy preparing to get married on July 20th, which is a Saturday. We're going to have a night wedding so that I won't have to miss the morning U.H. game." Congratulations and much happiness to you both!

KEN BRITTON, who rides a unicycle with great skill at the age of 70, should be an inspiration to MELISSA SPECHT. Twelve-year-old Melissa wrote that she had recently acquired a unicycle and had mastered some of the basics. However, she wondered if she were "too late" to learn some of the trickier riding techniques. "Definitely not," says RONI LYNN of Hollywood, FL, who taught herself to ride for her 40th birthday. Roni appeared in the Orange Bowl Parade last year.

Several people from the "land down under" have written to say that unicycles are not available there and have asked for plans so that they could be built in home or school workshops. The latest request is from KELLY ARMFIELD and he and others would be grateful if someone would provide ON ONE WHEEL with plans that could be printed in a future issue. (Attention: members in foreign countries. We can not post a letter in the U.S. with postage from another country so our request for a self-addressed STAMPED envelope cannot apply to you. In addition, foreign surface mail takes 6 - 8 weeks; the Post Office says Air Mail will arrive anywhere in the world in one week.)

The aims of the U.S.A., Inc. are: To foster social and athletic interest in and promote the healthy, wholesome sport of unicycling among youth and adults. . . TOM RANDALL is doing this in the Philippines and the surrounding area as he expands his portion of his traveling athletic exhibition to include more unicycles and riding techniques. Originally he briefly rode a standard uni to entertain during halftime of the basketball game. His act now includes a 6' and many of the tricks he learned from reading the books U.S.A., Inc. provides its members and from watching Redford Township Unicycle Club's riders in action during a practice.

Rev. BILL RUTH includes unicycling in a "Biblical Humor Workshop" in Berkeley, CA. And new unicycling publications are sprouting up around the world. In Hawaii, J. J. WHEELER, Publisher of STREET "WISE," a new newsletter for professional street performers, will feature unicycling and ultimate wheels in the July issue. The Editors of ON ONE WHEEL will be receiving a copy of STREET "WISE," so look for a review and subscription information in a future issue.

In England the third issue of UNI NEWS is soon to make its appearance with a new Editor, SIMON PIPE. DAVID MARINER began this endeavor and published the first two issues; he then threw the ball to Simon, who is a professional journalist. Simon is now looking for information and pictures of unicyclists in England and would appreciate any help members can offer. He can be reached by writing to: UNI NEWS, Gascoyne House, 13½ Gascoyne Pl., Plymouth, Devon PL4 8DF ENGLAND

BOB CLAWSON, President of Unicycles Unlimited in SanDiego CA, writes members with an SOS. The six members of the Dubble 'U's (Unicycles Unlimited) have had their riding down the boardwalk in Pacific Beach severely curtailed by two policemen. The charge? Not being able to reach the ground with their feet. Bob suggests that from a 6' uni they would have to have a 72" inseam to meet that requirement. The court date for this charge is late July. Any U.S.A., Inc. member with helpful suggestions to "beat this rap" is encouraged to write to Bob directly.

JENNY COFFEY was the first member to answer the request for help that went out in the January Bulletin. She and her P.E. teacher in Conover, N.C., are both interested in unicycling and U.S.A., Inc. members can look forward to an article about Jenny's unicycling experiences in a future ON ONE WHEEL.

JOSEPH GAUDREAU, Moline, N.Y., is beginning construction on his first giraffe unicycle. He is interested in whatever help he can get from members who have successfully completed a similar project. If you do write tips to Joseph, please send a copy to ON ONE WHEEL. There are, undoubtedly, many others who would appreciate construction hints. Joseph is an active member of AcreTheatre, a performing group on the campus of Plattsburgh State College. More about this in the next ON ONE WHEEL.

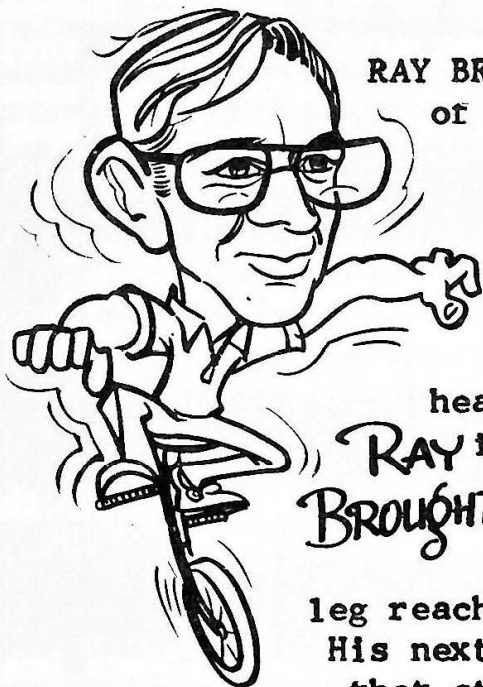

And last - but certainly not least - is an open invitation from JOHN MCGREGOR to anyone who is planning a trip to W. Australia. He invites everyone to "look me up and have some unicycling fun."

Looking for a little something for that special unicyclist in your life? Enesco is distributing in the Precious Moments collection a mug featuring two chubby little cherubs perched on top of. . . you guessed it - a unicycle. On the back side are the words:

FROM THE CLUBS . . . PAST AND PRESENT . . .

RAY BROUGHTON, originator and director of the Ohio Uniques for seven years, writes that the club is no longer functioning. Aging on the part of the members and serious illness among the directors caused its demise.

It's obvious from Ray's letter-head that his interest in unicycling is very much alive, however.

In fact, his latest project was to cut down a Schwinn to a 16" wheel and 19"

leg reach for his grandson in N.C.

His next project, when he retires to

that state, is to "start another group

with my daughter and grandson. He's 4½ so we have plenty of time." Much good luck to all of you!

BARBARA MILLER, Reporter for Smiling Faces 4-H Unicycle Club of Findlay, Ohio, submitted the following article for ON ONE WHEEL telling of the Club's activities:

The Club's elected officers for 1985 are:

President	Elaine Young
Vice-President	Brian Rush
Secretary	Amy Hottenstein
Treasurer	Dennis DeMuth
Reporter	Barbara Miller

Michele Layne and Julie Marquart are serving as 4-H Advisors this year and the Director is Nancy Young.

Members recently participated in a Unicycle and Bike-A-Thon for Cystic Fibrosis and will continue to entertain at area nursing homes. For this nursing home project, Smiling Faces received Honorable Mention in last year's National 4-H Community Service Campaign, sponsored by the Colgate Co.

In addition to the Rose Festival Parade in Richmond, IN,

and other state and area parades this summer, Smiling Faces is looking forward to Atlanta's 4th of July Parade, as this is the Silver Anniversary of the largest Independence Day parade in the U.S. Along with the return invitation and financial sponsorship to Atlanta's parade came an invitation to perform again this year at Six Flags Over Georgia Amusement Park there.

Smiling Faces performed in Atlanta last July 3 and 4 enroute to an appearance at the 1984 World's Fair in New Orleans. The Club has also performed at the 1982 World's Fair in Knoxville, the 1983 Orange Bowl and Kentucky Derby Parades.

Smiling Faces is looking forward to greeting many of their friends at the 1985 N.U.M. in Michigan in July.

The following article and accompanying picture were prepared by JAN LAYNE, Vice-President of U.S.A., Inc. and Director of Wood One Wheelers in Ohio.

Last October when LLOYD LINDAHL brought his two sons, Burky age 9 and Ryan age 6, to a Wood One Wheelers' Beginner Unicycle Class, he didn't know that it would be he who would become an avid unicyclist.

Lloyd, who is 38 years old, worked diligently to teach his two young sons to ride the unicycle. In January Jan Layne, Club Director, suggested that Lloyd try riding. He didn't really think he could do it but, being a very determined person, he started out.

He was able to practice on his breaks and lunch hour at work. At noon he rode to a store and back whenever the weather permitted. Lloyd practiced weekly with the Club helping his boys and other riders. A weekly call usually came at the Layne's house asking how he could learn to rock, ride backwards, etc.

Lloyd could now mount, rock, ride down curbs and over ramps; but this still wasn't enough. He built his own 6' which, only five months after he first tried riding a unicycle, he rode in an hour-long parade. After this extremely long, hot, and humid parade, Lloyd was still found in the mall parking lot riding and answering the

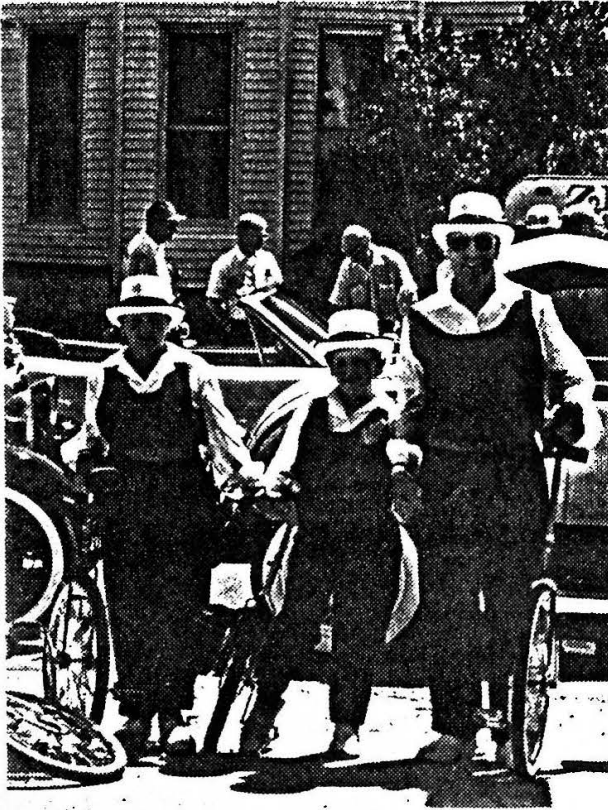

many spectators' questions.

Burky and Ryan have also become good unicyclists. They have their Father's determination. Burky's first love is the violin. Last year he won an audition at Portside in Toledo against 14 adults. He put on an unbelievable show; he not only played and sang, but also M.C.'d.

This year he was invited back and his brother Ryan joined him playing violin.

Lloyd's enthusiasm is very contagious. He is an inspiration to riders and non-riders alike. Lloyd and his sons have been an excellent addition to the Wood One Wheelers 4-H Unicycle Club

The Redford Township Unicycle Club, Inc., sponsor of the 1985 National Unicycle Meet, extends an invitation to all to attend the 9th Annual Mini-Meet to be held at the Wonderland Shopping Mall, Livonia, MI, on September 21, 1985. Registration will begin at 9:00 a.m. This event regularly draws enthusiastic riders from the tri-state area.

THANK YOU to David and Nancy Brichford and all the Redford people who worked to get this issue of ON ONE WHEEL to the U.S.A., Inc. members.
